Este documento incluye una lista de los medicamentos (Formulario) de nuestro plan, la cual estará en vigencia a partir del 11/01/2024. Para obtener un Formulario actualizado, póngase en contacto con nosotros. Nuestra información de contacto, junto con la fecha de la última actualización del Formulario, aparece en las páginas de la portada y la contraportada.

Generalmente, debe concurrir a las farmacias de la red para usar el beneficio de medicamentos con receta. Los beneficios, el Formulario, la red de farmacias o los copagos/el coseguro pueden cambiar el 1 de enero de 2024 y periódicamente durante el año.

¿Qué es el Formulario de Elderplan?

Un formulario es una lista de medicamentos cubiertos seleccionados por nuestro plan con la colaboración de un equipo de proveedores de atención médica, que representa los tratamientos con receta que se considera que son parte necesaria de un programa de tratamiento de calidad. Normalmente, nuestro plan cubrirá los medicamentos incluidos en el Formulario siempre que el medicamento sea medicamento necesario, el medicamento con receta se obtenga en una farmacia de la red del plan y se cumpla con otras normas del plan. Para obtener más información sobre cómo obtener sus medicamentos con receta, consulte la Evidencia de cobertura.

¿Puede cambiar el Formulario (la lista de medicamentos)?

La mayoría de los cambios en la cobertura para medicamentos ocurren el 1 de enero, pero podemos agregar o retirar medicamentos de nuestra Lista de medicamentos durante el año, pasarlos a un nivel de costo compartido diferente o agregar restricciones nuevas. Para realizar estos cambios, debemos cumplir con las normas de Medicare.

Cambios que pueden afectarlo este año: en los siguientes casos, usted se verá afectado por cambios de cobertura durante el año:

- **Medicamentos genéricos nuevos.** Podemos eliminar el medicamento de marca de la Lista de medicamentos de inmediato si lo reemplazamos con un medicamento genérico nuevo que aparecerá en el mismo nivel de costo compartido o en uno inferior y con las mismas o menos restricciones. Además, cuando agregamos un medicamento genérico nuevo, podemos decidir conservar el medicamento de marca en la Lista de medicamentos, pero lo pasaremos de inmediato a un nivel de costo compartido diferente o agregaremos restricciones nuevas. Si actualmente toma un medicamento de

marca, podríamos no informarle antes de realizar el cambio, pero posteriormente le proporcionaremos información sobre los cambios específicos que realizamos.

- Si introducimos un cambio, usted o la persona autorizada a dar recetas pueden solicitarnos que hagamos una excepción y sigamos cubriendo el medicamento de marca. El aviso que le enviemos también incluirá información sobre cómo solicitar una excepción, y usted puede encontrar información en la siguiente sección titulada “¿Cómo solicito una excepción al Formulario de Elderplan?”

- **Medicamentos retirados del mercado.** Si la Administración de Alimentos y Medicamentos (Food and Drug Administration, FDA) considera que un medicamento de nuestro Formulario es inseguro o el fabricante del medicamento lo retira del mercado, eliminaremos de inmediato dicho medicamento de nuestro Formulario y avisaremos a los miembros que toman el medicamento en cuestión.
- **Otros cambios.** Podríamos introducir otros cambios que afecten a los miembros que actualmente toman un medicamento. Por ejemplo, podemos agregar un medicamento genérico que no sea nuevo en el mercado para reemplazar un medicamento de marca que actualmente esté en el Formulario o agregar restricciones nuevas al medicamento de marca o pasarlo a un nivel de costo compartido diferente o ambas opciones. O bien, podríamos introducir cambios a partir de pautas clínicas nuevas. Si retiramos medicamentos de nuestro Formulario, o agregamos restricciones sobre autorización previa, límites de cantidad o tratamientos escalonados en relación con un medicamento, debemos notificar sobre el cambio a los miembros afectados al menos 30 días antes de que entre en vigencia dicho cambio, o en el momento en que el miembro solicite un

resurtido del medicamento, momento en el cual el miembro recibirá un suministro del medicamento para 30 días.

- Si realizamos estos otros cambios, usted o la persona autorizada a dar recetas pueden solicitarnos que hagamos una excepción y sigamos cubriendo el medicamento de marca. El aviso que le enviemos también incluirá información sobre cómo solicitar una excepción; además, puede encontrar información en la siguiente sección titulada “¿Cómo solicito una excepción al Formulario de Elderplan?”

Cambios que no lo afectarán si actualmente toma el medicamento. Por lo general, si usted toma un medicamento de nuestro Formulario para 2024 que estaba cubierto al comienzo del año, no discontinuaremos ni reduciremos la cobertura de ese medicamento durante el año de cobertura 2024, a menos que se trate de alguno de los casos mencionados anteriormente. Esto significa que estos medicamentos continuarán disponibles al mismo costo compartido y sin restricciones nuevas para aquellos miembros que lo tomen durante el resto del año de cobertura. Este año no recibirá un aviso directo sobre cambios que no le afecten. Sin embargo, el 1 de enero del próximo año, dichos cambios lo afectarían, y es importante consultar la Lista de medicamentos del año nuevo de beneficios para ver si hay cambios en los medicamentos.

El Formulario adjunto está vigente a partir del 11/01/2024. Para recibir información actualizada sobre los medicamentos cubiertos por nuestro plan, comuníquese con nosotros. Nuestra información de contacto aparece en las páginas de la portada y la contraportada.

En caso de que el plan realice a mitad de año un cambio en el Formulario no relacionado con su mantenimiento, le avisaremos sobre el cambio por correo electrónico para que pueda actualizar el Formulario impreso que tiene en la actualidad. El correo incluirá información específica sobre el cambio en el Formulario no relacionado con su mantenimiento y se lo enviaremos a más tardar 60 días antes de la fecha de entrada en vigencia del cambio.

¿Cómo utilizo el Formulario?

Hay dos formas para encontrar su medicamento en el Formulario:

Condición médica

El Formulario empieza en la página 1. Los medicamentos de este Formulario están agrupados en categorías según el tipo de condición médica para cuyo tratamiento se los emplea. Por ejemplo, los medicamentos utilizados para tratar una condición cardíaca se incluyen en la categoría “Cardiovascular”. Si sabe para qué se utiliza su medicamento, busque el nombre de la categoría en la lista que empieza en la página 1. Luego busque su medicamento debajo del nombre de la categoría.

Listado alfabético

Si no está seguro de qué categoría consultar, debe buscar su medicamento en el Índice que comienza en la página 82. El Índice proporciona una lista alfabética de todos los medicamentos incluidos en este documento. En el Índice figuran tanto los medicamentos de marca como los genéricos. Busque en el Índice y encuentre su medicamento. Junto a su medicamento, verá el número de página donde puede encontrar información acerca de la cobertura. Vaya a la página que figura en el Índice y encuentre el nombre de su medicamento en la primera columna de la lista.

¿Qué son los medicamentos genéricos?

Nuestro plan cubre tanto los medicamentos de marca como los genéricos. Un medicamento genérico está aprobado por FDA dado que se considera que tiene el mismo ingrediente activo que el medicamento de marca. Normalmente, los medicamentos genéricos cuestan menos que los de marca.

¿Hay alguna restricción en mi cobertura?

Algunos medicamentos cubiertos pueden tener requisitos o límites adicionales de cobertura. Estos requisitos y límites pueden incluir los siguientes:

- **Autorización previa:** nuestro plan exige que usted o su médico obtengan una autorización previa para determinados medicamentos. Esto significa que necesitará contar con la aprobación de nuestro plan antes de obtener sus medicamentos con receta. Si no consigue la autorización, es posible que nuestro plan no cubra el medicamento.
- **Límites de cantidad:** para ciertos medicamentos, nuestro plan limita la cantidad del medicamento que cubrirá. Por ejemplo, nuestro plan provee 30 comprimidos por receta de Januvia 50 mg. Esto puede ser complementario a un suministro estándar para un mes o tres meses.
- **Tratamiento escalonado:** en algunos casos, nuestro plan requiere que usted primero pruebe ciertos medicamentos para tratar su condición médica antes de que cubramos otro medicamento para esa enfermedad. Por ejemplo, si el medicamento A y el medicamento B tratan su condición médica, es posible que nuestro plan no cubra el medicamento B, a menos que usted pruebe primero el medicamento A. Si el medicamento A no funciona para usted, entonces nuestro plan cubrirá el medicamento B.

Puede averiguar si su medicamento tiene requisitos adicionales o límites consultando el Formulario que empieza en la página 1. También puede obtener más información sobre las restricciones que se aplican a medicamentos cubiertos específicos en nuestro sitio web. Hemos publicado documentos en línea que explican nuestra autorización previa y las restricciones en tratamientos escalonados. También puede pedirnos que le enviemos una copia. Nuestra información de contacto, junto con la fecha de la última actualización del Formulario, aparece en las páginas de la portada y la contraportada.

Puede pedirle a nuestro plan que haga una excepción a estas restricciones o límites o puede solicitarle una lista de otros medicamentos similares que puedan tratar su condición médica. Consulte la sección “¿Cómo solicito una excepción al Formulario de Elderplan?” en la página IV para obtener información acerca de cómo solicitar una excepción.

¿Qué pasa si mi medicamento no está en el Formulario?

Si el medicamento que toma no está incluido en este Formulario (lista de medicamentos cubiertos), primero debe comunicarse con el Departamento de Servicios para los Miembros y preguntar si su medicamento está cubierto.

Si resulta que nuestro plan no cubre el medicamento que toma, tiene dos alternativas:

- Puede pedir al Departamento de Servicios para los Miembros una lista de medicamentos similares que cubra nuestro plan. Cuando reciba la lista, muéstresela a su médico y pídale que le recete un medicamento similar que cubra nuestro plan.
- Puede solicitarle a nuestro plan que haga una excepción y cubra el medicamento. Consulte más abajo para obtener información sobre cómo solicitar una excepción.

¿Cómo solicito una excepción al Formulario de Elderplan?

Puede solicitarle a nuestro plan que haga una excepción a nuestras normas de cobertura. Son varios los tipos de excepciones que puede solicitarnos.

- Puede pedirnos que cubramos un medicamento, incluso si no está en nuestro Formulario. Si se aprueba, este medicamento estará cubierto a un nivel de costo compartido predeterminado, y usted no podrá pedirnos que proporcionemos el medicamento a un nivel de costo compartido menor.
- Puede pedirnos que no apliquemos restricciones o límites de cobertura para su medicamento. Por ejemplo, para ciertos medicamentos, nuestro plan limita la cantidad del medicamento que cubriremos. Si su medicamento tiene un límite de cantidad, puede pedirnos que hagamos una excepción al límite y cubramos una cantidad mayor.

Por lo general, nuestro plan solo aprobará su solicitud de excepción si los medicamentos alternativos incluidos en el Formulario del plan o las restricciones de uso adicionales no fueran tan efectivos para tratar su condición o le causaran efectos médicos adversos.

Debe comunicarse con nosotros para solicitarnos una decisión de cobertura inicial para una excepción al Formulario o a las restricciones de uso. **Cuando solicita una excepción al Formulario o a la restricción de uso, debe presentar una declaración de su médico o de la persona autorizada a dar recetas que respalde su solicitud.** Por o general, debemos tomar una decisión dentro de las 72 horas a partir de la fecha en la que recibamos la declaración que respalda su solicitud por parte de la persona autorizada a dar recetas. Puede solicitar una excepción acelerada (rápida) si usted o su médico consideran que esperar 72 horas para la decisión

podría perjudicar gravemente su salud. Si se le concede la excepción acelerada, debemos comunicarle nuestra decisión en un plazo máximo de 24 horas después de haber recibido la declaración de respaldo de su médico o de otra persona autorizada a dar recetas.

¿Qué debo hacer antes de poder hablar con mi médico sobre el cambio de los medicamentos que tomo o sobre la solicitud de una excepción?

Como miembro nuevo o permanente de nuestro plan, es posible que esté tomando medicamentos que no estén incluidos en el Formulario. También es posible que esté tomando un medicamento incluido en el Formulario, pero su capacidad de conseguirlo sea limitada. Por ejemplo, puede necesitar nuestra autorización previa antes de poder obtener su medicamento con receta. Debe consultar con su médico para decidir si debe cambiar su medicamento por uno apropiado que nosotros cubramos o solicitar una excepción al Formulario para que cubramos el medicamento que toma. Mientras evalúa con su médico el procedimiento adecuado para seguir en su caso, podemos cubrir su medicamento en determinadas situaciones durante los primeros 90 días en los que usted sea miembro de nuestro plan.

Para cada uno de los medicamentos que no está incluido en el Formulario, o si su capacidad para conseguir los medicamentos es limitada, cubriremos un suministro temporal para 30 días. Si su receta está indicada para menos días, permitiremos que obtenga resurtidos de los medicamentos hasta llegar a un suministro máximo del medicamento para 30 días. Después del primer suministro para 30 días, no pagaremos por estos medicamentos, incluso si ha sido miembro del plan durante menos de 90 días.

Si reside en un centro de atención a largo plazo y necesita un medicamento que no está en el Formulario o si su capacidad para conseguir los medicamentos es limitada, pero ya pasaron los primeros 90 días de membresía en nuestro plan, cubriremos un suministro de emergencia del medicamento para 31 días mientras solicita la excepción al Formulario.

Miembro actual de un plan con cambios en el nivel de atención

Si usted ingresa en un centro de atención a largo plazo (LTC) y provenía de un lugar (hogar) como paciente externo, de un hospital o de otro centro de LTC, cubriremos un suministro de transición temporal para 31 días (a menos que tenga una receta para menos días) para cada medicamento que no esté en nuestro Formulario o tenga restricciones o límites de cobertura.

Si deja el centro de LTC o el hospital y regresa a su hogar como paciente externo, cubriremos un suministro temporal para 30 días (a menos que tenga una receta para menos días) después del alta, para cada medicamento que no esté incluido en nuestro Formulario o que tenga restricciones o límites de cobertura.

Tenga en cuenta que nuestra política de transición se aplica únicamente a aquellos medicamentos que se incluyen como “medicamentos de la Parte D” y que se surten en una farmacia de la red.

El Formulario de nuestro plan

El Formulario que empieza en la página 1 proporciona información de cobertura acerca de los medicamentos cubiertos por nuestro plan. Si tiene dificultades para encontrar el medicamento que toma en la lista, consulte el Índice que comienza en la página 82.

En la columna de la tabla se menciona el nombre del medicamento. Los medicamentos de marca están en mayúsculas (p. ej., LANOXIN) y los medicamentos genéricos figuran en letra cursiva minúscula (p. ej., *digoxin*).

La información incluida en la columna de Requisitos/Límites indica si nuestro plan tiene algún requisito especial para la cobertura del medicamento.

BD, autorización previa de B frente a D: es posible que determinados medicamentos estén cubiertos por la Parte B o D de Medicare, según las circunstancias. Para tomar la decisión, se deberá enviar información que incluya la descripción del uso y la situación en que se administra el medicamento.

PA, autorización previa: usted o su médico deben obtener la autorización previa de nuestro plan para determinados medicamentos. Esto significa que necesitará contar con la aprobación de nuestro plan antes de obtener sus medicamentos con receta. Si no consigue la autorización, es posible que nuestro plan no cubra el medicamento.

QL, límites de cantidad: para ciertos medicamentos, nuestro plan limita la cantidad del medicamento que cubrirá. Por ejemplo, nuestro plan provee 30 comprimidos por receta de Januvia. El límite de cantidad se indica en la cantidad entregada para días de suministro.

LA, medicamentos de acceso limitado: son los medicamentos que pueden obtenerse solo en determinadas farmacias. Para obtener más información, consulte su Directorio de farmacias o llame a Servicios para los Miembros al 1-800-353-3765, los 7 días de la semana, de 8 a. m. a 8 p. m. Los usuarios de TTY/TDD deben llamar al 711. También puede visitar el sitio www.elderplan.org.

ST, tratamiento escalonado: nuestro plan requiere que usted primero pruebe ciertos medicamentos para tratar su condición médica antes de que cubramos otro medicamento para esa condición médica. Por ejemplo, si el medicamento A y el medicamento B tratan su condición médica, es posible que nuestro plan no cubra el medicamento B, a menos que usted pruebe primero el medicamento A. Si el medicamento A no funciona para usted, nuestro plan cubrirá el medicamento B.

NM: estos medicamentos NO se encuentran disponibles a través del pedido por correo.

NDS: suministro en días no extendido. Ciertos medicamentos especializados estarán limitados a un suministro para 30 días como máximo por surtido.
