About Elderplan

Elderplan is a Medicare Advantage plan, which is a proud part of the MJHS Health System family. Both Elderplan and MJHS are not-for-profit organizations that share the same core values of compassion, dignity and respect.

Elderplan has a rich history of caring for at-risk New Yorkers of all backgrounds. That's why we understand that gaps in access to quality health care based on race, ethnicity, gender and financial stability are still all too often a factor. Consistent with our values, we are ***leading the way to great care*** by being committed to health equity, to closing these gaps in care, and ensuring that all our members have access to high-quality programs and services.

In addition, an advantage to our members of Elderplan/HomeFirst being part of the MJHS family, is that our health system also includes: MJHS Home Care, MJHS Hospice and Palliative Care, as well as MJHS Isabella and MJHS Menorah Centers for Rehabilitation and Nursing Care. So, should you require access to additional support over time, and choose to receive services from MJHS, the Elderplan team can work together with their colleagues from across the system to better coordinate your care.

Which Doctors, Hospitals and Pharmacies can I use?

Elderplan Extra Help (HMO-POS) has a network of doctors, hospitals, pharmacies and other providers. Our plan allows you to see In-Network and Out-of-Network providers based on our expansive benefit offering. Our plan covers services and benefits from any of our network providers listed in our Provider and Pharmacy Directory. Our plan also includes

point-of-service coverage for certain services and benefits from any Medicare-certified provider who has not opted out of Medicare. You must generally use network pharmacies to fill your prescriptions for covered Part D drugs. You can see our plan’s Provider and Pharmacy Directory at our website www.elderplan.org, or call us and we will send you a copy of the Provider and Pharmacy Directory.

What do we cover?

Like all Medicare health plans, we cover everything that Original Medicare covers—and more.

- Members get all of the benefits covered by Original Medicare.
- Members also get more than what is covered by Original Medicare. Some of the extra benefits are outlined in this booklet.

Summary of Benefits – Elderplan Extra Help (HMO-POS) 2025

- We cover Part D drugs. In addition, we cover Part B drugs such as chemotherapy and some drugs administered by your provider.

You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website, www.elderplan.org or call us and we will send you a copy of the formulary.

How will I determine my drug costs?

The amount you pay for drugs depends on the drug you are taking, what “drug payment stage” you have reached, and the plan cost-sharing tiers.

Later in this document we discuss the drug payment stages and the plan cost-sharing tiers. The drug payment stages are the Deductible Stage,

Initial Coverage Stage, and Catastrophic Coverage Stage.

Every drug on the plan’s Drug List is in one of five cost-sharing tiers:

- Tier 1: Preferred Generic Drugs (lowest cost-sharing tier)
- Tier 2: Generic Drugs
- Tier 3: Preferred Brand Drugs
- Tier 4: Non-preferred Drugs
- Tier 5: Specialty Tier Drugs (highest cost-sharing tier)

There are programs to help people with limited resources pay for their drugs. These include “Extra Help” and State Pharmaceutical Assistance Programs. For more information, see the Evidence of Coverage (Chapter 2, Section 7).

Section II: Summary of Benefits

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at **1-800-353-3765**.

Understanding the Benefits

- The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit www.elderplan.org or call **1-800-353-3765** to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- Review the formulary to make sure your drugs are covered.

Understanding Important Rules

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/co-insurance may change on **January 1, 2026**.
- Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for certain covered services, the provider must agree to treat you. Except in an emergency or urgent situation, non-contracted providers may deny care.
- Your medical and prescription coverage were reviewed against your current insurance coverage. You will become a member of Elderplan upon enrollment verification and no longer have coverage with your current plan.
